**The All Round Provider. What can AOS 2061 do?**

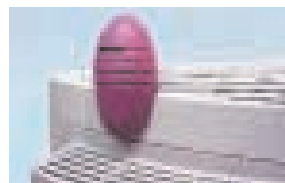

**Remove particles.**  
With its two high tech HEPA particle filters, the AOS 2061 offers optimum protection against harmful particles, such as pollen, dust and spores, that are up to 100,000 times finer than a human hair.

**Eliminate odors.**  
The AOS 2061 absorbs all unpleasant tobacco, cooking and animal odors as well as harmful fumes.

**Bring a breath of fresh air.**  
The AOS 2061 has a unique air freshening system. With a choice of 100% natural essential oils, it will make you feel relaxed or energized.

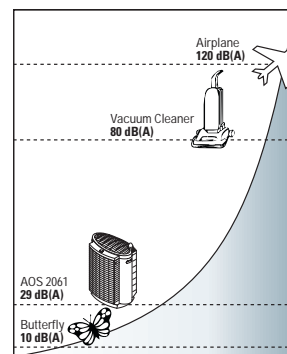

**The Powerhouse. What can AOS 2061 deliver?**

**Three performance settings.**  
For rapid purification, for normal and night-time operation. The AOS 2061 is ready for immediate use. It provides noticeably better air and reduces the amount of dust on floors and furniture in rooms of up to 540 sq ft (50 m<sup>2</sup>).

**Circulates the air up to 5 times per hour.\***  
After a short time, 99.97% of the harmful particles are removed from the air.  
\* refers to a room size of 280 sq ft.

**Extremely silent.**  
The ultra quiet operation of the AOS 2061 is achieved by the optimal combination of its size, enormous filter surface and the use of a high quality fan.

**Low maintenance.**  
The AOS 2061's two particle filters have a service life of at least 12 months and the odor/fume filter lasts at least 6 months.

**Contributes to your feeling of well-being.**  
The AOS 2061 actively promotes a healthy environment, in both residential and office space.

**The Practical Solution. What can AOS 2061 offer?**

**Easy filter exchange.**  
For both particle filters and the odor/fume filter.

**Two ergonomically designed handles.**  
For easy positioning of the AOS 2061.
