Performance of the air purifier and humidifier AOS 2071 for different room sizes:

Particles such as dust, pollen, animal dander, etc. are efficiently removed every...

20' x 23' (460 sq ft)	11.5' x 20' (230 sq ft)
25 min.	12 min.
10' x 15' (150 sq ft)	15' x 24' (360 sq ft)
8 min.	20 min.

Technical data AOS 2071

Dimensions (L x W x H)	21.1" x 23.6" x 13.0"
Length of cable	8 ft 6"
Weight empty	20.5 lbs
Mains voltage	120V / 60 Hz
Power consumption, setting 1 / 2 / 3	15 / 36 / 58 W
Air circulation, setting 1 / 2 / 3	40 / 122 / 175 cf/m
Humidification performance	up to 2 gallons / 24h
Maximum water capacity	2.2 gallons
Suitable for rooms	up to 540 square ft
Noise level, setting 1 / 2 / 3	29 / 39 / 47 dB(A)

The All Round Provider. What can AOS 2071 do?

Remove particles.

With its two high tech HEPA particle filters, the AOS 2071 offers optimum protection against harmful particles, such as pollen, dust and spores, that are up to 100,000 times finer than a human hair.

Humidify the air.

The AOS 2071 is automatically self-regulating, providing an optimal, hygienically humidified atmosphere.

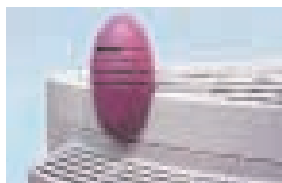

Eliminate odors.

The AOS 2071 absorbs all unpleasant tobacco, cooking and animal odors as well as harmful fumes.

Bring a breath of fresh air.

The AOS 2071 has a unique air freshening system. With a choice of 100% natural essential oils, it will make you feel relaxed or energized.

The Powerhouse. What can AOS 2071 deliver?

Three performance settings.

For rapid purification and humidification, for normal and night-time operation. The AOS 2071 is ready for immediate use. It provides noticeably better air and reduces the amount of dust on floors and furniture in rooms of up to 540 sq ft (50 m²).

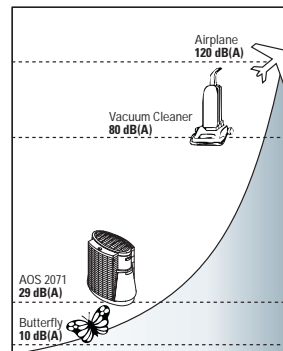

Circulates the air up to 5 times per hour.*

After a short time, 99.97% of the harmful particles are removed from the air.

* refers to a room size of 230 sq ft.

Extremely silent.

The ultra quiet operation of the AOS 2071 is achieved by the optimal combination of its size, enormous filter surface and the use of a high quality fan.

Low maintenance.

The AOS 2071's two particle filters have a service life of at least 12 months and the odor/fume filter lasts at least 6 months.

Contributes to your feeling of well-being.

The AOS 2071 actively promotes a healthy environment, in both residential and office space.

The Practical Solution. What can AOS 2071 offer?

Easy filter exchange.

For both particle filters and the odor/fume filter.

Two ergonomically designed handles.

For easy positioning of the AOS 2071.

Two portable water tanks.

For easy refilling, the AOS 2071 has a large 2.2 gallons (8.4 liter) water capacity. Due to the ingenious design, the tanks can be filled in even the smallest sink.

Easy cleaning.

With a removable water tray.

Exclusive design.

Practical in use and beautiful in appearance.
